

Technical Data Sheet

Product: Grade F Solder Blowpipe Strips

Product Code: LS0031

Manufacturing Spec.

Element	Percent (% by wt)
Sn	49.0 – 50.0
Sb	0.5 Max
Pb	Bal
Cu	0.08 Max.
Zn	0.003 Max
Fe	0.02 Max
As	0.03 Max
Ni	NS
Bi	0.1 Max
Cd	0.005 Max
Ag	NS
Al	0.001 Max
Total others	0.08 Max

NS = Not specified

Casting Method: Blowpipe
Box Type: Blowpipe
Mould Type: Nominal 56g Blowpipe
Pack Size: 25kg
Metal spec. ref: BS219:1977 F

Blowpipe Box: 563 x 127 x 73mm
Style – die cut: Spec. 78637
Material: B 200K/200K

DKL's Grade F Solder blowpipe strips are designed for use on most general purpose, non-electronic applications. Blowpipe strips are a suitable industrial alternative to solder wire in most applications where soldering is done manually.
